PROGRAM OVERVIEW NCMC offers a PMSR (with added credential) program with emphasis on podiatric surgery, reconstructive surgery, pediatrics, clubfoot, and wound care. We have a highly skilled and diverse staff of DPM's as well as foot and ankle orthopedists. We are fortunate to work in many facilities throughout the Northern Colorado front range. Residents are exposed to a wide range of forefoot, rearfoot and ankle surgical procedures. Didactic activities including journal club, residents lectures, workshops, and skills courses add to the resident's educational experience. Final applicants must submit to drug screening and a complete background check as required by Banner Health.
