PROGRAM OVERVIEW Our clinics perform most aspects of podiatric medicine and surgery from wound care to reconstructive surgery. We see a fair amount of trauma in addition to elective podiatric surgeries. Podiatry Service at this VA is a direct-admit service and we are involved in all phases of patient care, we have OR time on Monday, Tuesday, Wednesday and Fridays, not to mention surgery with 5 private practice attendings throughout the week out in town. We also have an affiliation with Jackson Hospital for vascular, general surgery, and wound center rotations. Montgomery has a very affordable cost of living and is close to Atlanta (2 hours) and the Gulf beaches (3 hours). We currently have one rearfoot and one forefoot position available.
