PROGRAM OVERVIEW We have a ton of pride in our residency program and truly believe that it is the best around! Our alumni are still strongly involved in the future of the program and just talking to them you can see how much they valued their time spent in Lake Charles. We are a family here and will continue to pass that mindset on for generations to come! Lots of questions can be answered at our website [www.louisianapodiatricsurg.com](http://www.louisianapodiatricsurg.com) but please feel free to contact the residents or the program director for any further inquiries.
