PROGRAM OVERVIEW Advocate Christ Medical Center is a registered PMSR-RRA with exceptionally large diversity of surgical exposure at a very large level one Trauma medical center and large children's hospital. Residents cover in-house management at Advocate Christ Medical Center and Advocate Children's Hospital but will have an additional 8 locations for case coverage in the surrounding area. Residents are expected to perform a large volume of surgical procedures, far exceeding CPME residency requirements, under numerous podiatric and orthopedic attendings on a daily basis. Didactic exposure includes journal clubs, case review, board review, cadaver workshops, and surgical equipment labs. Residents are given great responsibility and must be ready for repeated night call, trauma call, ER call and have great integrity. Residency salary, benefits, and training experience are wonderful
