PROGRAM OVERVIEW One of the few Podiatric Residency programs in the country which is University based giving the residents an opportunity to interact with the residents from 53 other residency programs. The podiatric residents have the same rights and privileges granted to the other residents within the hospital. Approved by CPME as a Podiatric Medicine and Surgery Residency with Reconstructive Rearfoot/Ankle Surgery with a 3 year commitment. Students from all schools are considered equally. Tremendous opportunity for a resident as well as for our profession.
