PROGRAM OVERVIEW Our Podiatric Residency (PMSR/RRA) is a well integrated program with an emphasis on Podiatric Surgery, diabetic foot care and clinic. Residents will rotate at two major level 2-Trauma hospitals along with our surgical center and Podiatric clinics. With few trainees in the community, the resident will have hands on patient care from day one and rotate almost exclusively with attending faculty. For more information, visit our website at med.cmich.edu/podiatry or email cmepodiatry@cmich.edu.
