PROGRAM OVERVIEW Community Medical Center has been in existence for 60 years and a fully accredited acute care hospital with 592-beds. The hospital offers the patients of Ocean County and the surrounding area with superior medical treatment with an emphasis on healing and promoting patient safety. This hospital cares for over 28,000 inpatients, 127,700 outpatients and 100,000 emergency department patients each year. Level 2 Trauma Center.

The objectives of the Community Medical Center Podiatric Residency Program are to provide extensive training through a graduate medical education program in which residents will be trained in reconstructive rearfoot and ankle surgery, trauma surgery, elective foot surgery, and limb salvage. They will complete a diversified but defined core curriculum as required by
