**PROGRAM OVERVIEW** Inspira Health Network is one of the largest hospital systems in South Jersey and is the off-site rotation campus for the Rowan University School of Osteopathic Medicine and also has a partnership with Cooper University Hospital System. The residents are fully integrated within the GME community. Strengths of the program include extensive training in reconstructive rearfoot & ankle surgery, limb salvage, internal & external fixation, strong didactics, an immense podiatric and medical teaching staff, and a well balanced in-patient podiatric service. Extensive hands-on clinical training at Reconstructive Orthopedics and Foot and Ankle Centers of South Jersey. Rotations at Rubin Institute for Advanced Orthopedics in Baltimore includes podiatric surgery, limb lengthening, skin and muscle flaps, and orthopedic foot & ankle trauma with housing provided. On campus cadaver lab and multiple monthly workshops for an array of hardware. Research and poster presentations at major surgical conferences.
